

7/13/68

Dear George,

Just returned from two-week investigation in N.O. and am more than ever behind. Before leaving I wrote a short (35,000-word) book, COBP D'ETAT: I ACCUSE THE CIA. The stuff in your newsletter on "took many guns between Bobby and the White House" is mine. I got it from the guy 4/8/68 in N.O. And more from him 6/10. There is too much thievery on our side, but now we can do nothing. However, I have heard from some officials out there. They want me to come out. There are some who seem to have a genuine interest in solving the RFK murder. I must first go to N.U. for them. The continuing problem is money, which I haven't.

Others also would like me to get out there. Art Kevin of KHJ radio for pme (Hollywood). Can you get in touch with him? Perhaps between your group and him enough can be lined up to pay my expenses.

Prescott Nichols may be interested in knowing that from the first I called "Galt" by the name "Oswald" when I spoke of him on radio and TV, that I called the Mustang "Oswald's getaway car", and things like that. I quite agree with him.

I like the name of your group, whose initials are backward to what I do not like. Good luck! There is little likelihood I'll have time to write, but you can certainly use anything I have written.

Your father had kept me generally posted on you both. Glad to hear you like it there.

We have moved a little further from Washington and get there less often. I expect to see him within a few days so however.

I now have no plans for going out your way, only the desire and need. I'll do it whenever it is possible, which means whenever it is financially possible. We ~~XXXXXX~~ are now \$35,000 in debt and I cannot go deeper.

Best to you both, thanks for your efforts, and the best of good luck.

Sincerely,
